

RB100

129 kg Storage bin

FROST
L I N E

Other models in this range: **RB150 - RB190 - RB300**

Technical Features

- Convenient & hygienic internal ice scoop holder.
- Exterior panels in durable stainless steel.
- Polyurethane Insulation.
- High density, non-corroding Polyethylene bin liner, is designed with easy-to-clean rounded corners, and resists scratches and scuffs from ice scoops.
- Robust door frame will resist operational abuse.
- Rounded door-lip profile allows an easy reach for enhanced ease of operation.
- Fully removable door gasket seals door opening to reduce ice melt, easily disassembled for manual cleaning.
- Internal ice deflector enhances ice distribution to maximize bin storage capacity.
- Load resistant, stainless steel adjustable legs.
- Bin Caster available on request for selected models.
- Storage bin base drain tube conveniently rotates at 360° radius to allow ease-of-connection with any floor water drain position.
